Dear Sir / Madam.

I am currently looking for work as a graphic designer. This was my job in the Czech Republic and I was also fortunate enough to work for two years in the USA. I have experience also as a freelancer.

I have designed brochures, leaflets, CD&MC covers, annual reports, logos and some webdesign. I also gained experience working on a magazine and designing packages as a DTP specialist.

I am willing to do some work experience or apply for fulltime or part time work.

You can also examine my portfolio on my web page by accessing www.dekastello.com.

I look forward to hearing from you.

Yours sincerely,
Peter Dekastello.
